

SPEECH and LANGUAGE PATHOLOGIST – JOB DESCRIPTION

Paediatric Nursing Services is a not-for-profit therapy provider specialising in Early Childhood intervention. We have a supportive and dynamic multi-disciplinary team who provide quality therapy to children with disabilities or developmental delays between ages 0-18 and their families.

We are seeking a qualified and registered Speech Pathologist to join our team. The role involves working from our clinic in Mt Lawley and in the surrounding community.

Duties and Responsibilities:

- Contemporary knowledge of speech pathology service delivery within a National Disability Insurance Scheme (NDIS).
- Proven track record of delivering person-centered speech pathology assessments and interventions for individuals with developmental and/or acquired disability.
- Independently deliver high level paediatric speech pathology clinical services to children with varied communication, developmental, feeding, and behavioural needs.
- Demonstrate the use of independent clinical reasoning skills to support complex decisions related to collaborative service planning.

Selection criteria: Mandatory:

- Must have SPA membership
- Relevant tertiary qualification in Speech Pathology
- Working with Children Card
- National Police Criminal Check and Criminal Record Screening Clearance Card
- Valid Driver's Licence
- NDIS workers screener working check

Desirable:

- Experience in the not-for-profit and/or disability sector
- Experience providing therapy to children
- Ability to relate on a personal level with people with disabilities, families, advocates, friends, the community and other professionals.
